CONDITIONS

1. Registration Fee: The registration fee is valid from September to the end of August, and is non refundable. Students are only allowed to attend one class before they pay the registration fee. All students must pay the registration fee.

Families with two or more children: The registration fee for a family with two children or more is \$60. The tuition fees are fixed as follows:

- The first child must pay the regular fee. We consider the child paying the highest fee as the first child.
- 25 % discount for the second child of the same family. This discount is given to the child paying the lowest fee of the two.
- 30 % discount for the third child of the same family. This discount is given to the child paying the lowest fee of the three.
- 35 % discount for the fourth child of the same family. This discount is given to the child paying the lowest fee of the fourth.

2. Refunds: To apply for a partial or full refund, the student or parent must notify the administration in writing to ensure their file is officially closed. The date of the written notification will be considered the official withdrawal date from classes. A refund check will be sent by mail within two weeks following the official withdrawal date. Classes already taken will be charged prorata and we will reimburse the remaining amount minus 10% for administration fees (up to a maximum of \$50) Article 195 of the Consumer Protection Act R.S.Q., chapter-40.1. A student cancelling their registration before the first day of classes will receive a full refund, except for the registration fee. The registration fee is never refundable. Ballet Divertimento reserves the right to remove from class any student who is one month behind in paying for classes. We ask that parents encourage their child to try at least four classes before abandoning them, as it often takes this long for a child to adjust to a new school or situation.

3. Returned Cheques: An administrative fee of \$25 will be charged for all returned NSF cheques. Replacement funds must be a certified bank cheque, a money order or cash.

4. Lost Items: Ballet Divertimento is not responsible for lost or stolen items. As a safety precaution, students should be vigilant and bring their valuables with them in the studios.

5. Late registration: For those students who register late for a course given by session, the classes not taken will be deducted from the tuition fee with exception of the first two weeks of classes which are not refundable.
